

Executive Report – No.5 - 05/10/11

Igor Maslows – Ethical & Environmental DO

1. Actions from last meeting:

- FREEC Representative booklet with all E&E event dates, job duties and possible involvement with LSU during the year – **discussed with Amy James action plan to present it to Reps on 12th October 2011**
- Decide on Environment day schedule - **on going**
- Prepare for Union Bazaar – **on-going**

2. Main Areas of Work

- Workers Right Consortium
 - Anne Mumford presented to AR, JP and AC WRC and answered any questions to AR, JP and AC on 30th September 2011
 - Feedback from the meeting can be requested
- Committee
 - A massive thank you to PC for developing an amazing E&E Committee promotional flash on website
 - 2 application during the first night the flash came up, 2 more during next two days
 - Arranged a meeting with prospective Vice-Chair and LP will attend as well
 - ACTION: Arrange meetings with other applicants
 - I am happy that 2 applications are from Postgrad students doing relevant studies
 - One of the FREEC Reps wanted to join Committee as well
 - Aim is to get at least one College Student on Committee
- Events
 - Set up E&E stall at University Open Days, promoted LSU on individual campus tours and explained how prospective students can be involved
 - Attended Committee Bash, met some FREEC Reps
 - Helped Freshers to move in; attended Induction talks and promoted E&E Committee positions
 - Took part in LSU 50/50 presentations and judged Sing Off
 - Had a stall at International Inductions (Undergrad and Postgrad) and promoted Committee Positions
- Meetings
 - Environment League Working Group – discussed and approved inter-hall Environment League documentation
 - Met Jo Hasbury from Loughborough University Sustainability Team – decided to work closely this year to put outside a clear message to students; was asked to promote Fruit Routes project (done) and I am attending one of the fruit juicing events

- 2 induction talks for Maths students
- Attended Employability Award briefing, signed up and will promote it to committee members
- Met Donna Oxbrough from Charnwood Environmental Services, decided to share one stall in Union Bazaar as well as possible working together throughout the year
ACTION: Talk to TSF President about Recycling in town
- College
 - Meeting with Ruth rescheduled for 17th October as Ruth had other arrangements
- Website
 - Website menu has been changed, newest information updated about Fruit Routes and Committee Positions
- Other
 - Was approached by E&E Officer from Queen Margaret University SU about Green Impact and from Hull University about WRC, because they see us as a successful example

3. Other Areas of Work

- Studies began

4. Aims for Next Report

- Successful Environmental Champion recruitment - from each hall up to 10
- Committee applicants were scheduled for a chat with IM and LP
- Continue working on E&E visibility on campus and town
