

Out with the old....

Our Freshers have barely recovered from their 2 week hangover (or "Freshers Flu" as they say to their Lecturers) and already Jason, our Societies Federation Executive for 2011-12, has hit the ground running to ensure that SocFed has an amazing year!

As well as a brand new SocFed Exec, we also have a shiny new committee! As Secretary there is David Haines, member to more Societies than he can remember and Treasurer of the Hot Air Balloon Society. As Performance Co-ordinator we have PHD student Lydnsey Bakewell, who is Treasurer of The Shakespeare Society, which was Society of the Year 2011. George 'Buzz' Crabb has stepped into our

new position of Performance Liason, and as he is Tuxedo Swing's Social Sec I'm sure he will do brilliantly! Our Media Rep is Art and Design Student Zhou 'Yoyo' Youtian and in the other new position of Webmaster is Miles Sutcliffe, Chair of CompSoc and studying Computer Science with Artificial Intelligent, he fits the job description perfectly! Finally, you have yours truly, Ash O'Donnell as Newsletter Editor and Webmaster to the Yoga Society and Cocktail Society.

We would also like to welcome Catherine Ashton to the mix as she takes on the position of SocFed Administrator and is sharing the brand new SocFed office with Jason!

One thing that has stayed the same is their open door policy, so feel free to visit if you have any questions or queries!

Don't worry if you didn't get a chance to have a chat to the all societies you're interested in, if you missed out you can find out all the information from their webpages, just visit www.lufbra.net/societies or contact the committee directly and they'll be happy to help!
